## **1. INTRODUCTION**

### **1.1. Welcome to the San Antonio School for Inquiry and Creativity**

Dear Staff:

Welcome to San Antonio School for Inquiry and Creativity (hereinafter, SASIC) and to what we hope will be a long, productive, and satisfying career at one of Texas' finest public charter schools. SASIC strives to create an exciting, challenging, and rewarding work environment. We want you to build a successful relationship with SASIC and be a happy and productive member of our school community.

This employee manual was prepared to help you become familiar with SASIC and its personnel standards and procedures. Please read it carefully and if you have questions or concerns speak with your supervisor. If you need further information or assistance please contact SASIC's Human Resources Department at phone number (210) 507-7703, or via email at [hr@sasictx.org](mailto:hr@sasictx.org)

Sincerely,  
Dr. Tonja D. Nelson  
Superintendent

## **1.2. About this Personnel Handbook**

The purpose of this personnel handbook is to provide employees with a source of information about SASIC procedures and policies. The policies and procedures in this handbook are to serve as guidelines. Although SASIC has tried to be comprehensive, the handbook does not, and cannot, include procedures and policies which address every situation that may arise. Such a list would be limitless.

SASIC has, and reserves, the right to adopt new procedures and policies, or modify, alter, change or cancel existing policies and procedures at any time. Violation of any provision within this handbook may lead to disciplinary action up to and including discharge from employment.

Questions regarding this handbook or any of the policies/procedures should be directed to your supervisor or to the Human Resources Department.

### **1.3. About SASIC**

Monticello Academy, SASIC Preparatory Academy, SASIC Career Paths and Monticello High School are overseen by the Democratic Schools Research Institute, an educational and research-based non-profit. SASIC Preparatory Academy, SASIC Career Paths and Monticello High School are tuition-free and arts-infused open-enrollment charter school; Monticello Academy, also tuition-free, serves Kindergarten through 4<sup>th</sup> grade in a Montessori-infused environment.

SASIC's mission focuses on the importance of all art based endeavors to encourage a lifelong passion for learning and pursuing creative college and career paths, and to instill in the individual a sense of giving back to the community. The original concept underlying SASIC's learning environment was founder Dr. Debbie De Leon's research-based belief that core academic courses can be taught creatively by blending the arts and technology with state-mandated courses, thus fostering an environment where educational understanding will matter equally to both students and teachers.

**1.4. Acknowledgement of Receipt of Personnel Handbook**

The information contained in this personnel handbook is important and I should consult with my supervisor or Human Resources if I have a question that is not answered in this handbook.

I acknowledge that the SASIC personnel handbook does not create an employment contract or otherwise modify my at-will employment status. I understand that no one has the authority to alter an employee's at-will status, or guarantee an employee's employment for a specific period of time, unless it is approved by the board of directors, is in writing, and is signed by both myself and the chair of the board of directors.

I understand that SASIC may amend or withdraw any or all portions of this handbook at any time. I understand that it is my responsibility to comply with the provisions in this handbook, including any revisions, and that failure to comply may lead to disciplinary action. I further acknowledge that any revised information may supersede, modify, or eliminating existing provisions within this handbook. By remaining employed by SASIC following any modifications to this handbook I thereby accept and agree to such changes.

I acknowledge that I have read this handbook and agree to read any amendments of the handbook. I understand that I am required to sign and date this Acknowledgment of Receipt and return it to my supervisor. I understand that a copy of this form will be retained in my personnel file.

A person may not be employed or serve as a teacher, substitute teacher, librarian, educational aide, administrator, or counselor unless the person has been approved by the Texas Education Agency following a review of the person's National Criminal History Record Information. ### **3. REPORTING TO WORK**

#### **3.1. Official San Antonio School for Inquiry and Creativity Office Hours**

Standard hours of operation in the administrative office areas are from 8 a.m. until 4:30 p.m.

#### **3.2. Regular Work Schedules**

SASIC has a standard workweek of forty (40) hours per week, excluding time off for lunch or other personal breaks. Scheduled hours for employees may vary from department to department.

All full-time, non-exempt employees generally work a Monday through Friday schedule of forty (40) hours divided into (5) eight-hour workdays, unless a different schedule is approved in writing by the employee's supervisor.

Exempt employees are expected to work the hours necessary to complete their assigned work to the satisfaction of their supervisor without regard to scheduled hours and without expectation of additional compensation.

All employees are expected to be at work during SASIC's official office hours unless otherwise required or approved by the employee's supervisor. Work times will vary per campus, dependent upon school hours.

#### **3.3. Attendance**

SASIC employees are expected to be reliable and punctual in reporting for work each scheduled day. If an employee will be late to work or is unable to work as scheduled, the employee should notify their supervisor in advance as soon as possible.

SASIC recognizes there will be occasions when an illness or other personal event may result in an unscheduled absence. As such, SASIC has a leave policy (see Section 4.2.)

Poor attendance and/or repeated tardiness are disruptive to the operations of SASIC and may lead to disciplinary action, up to and including discharge from employment.

#### **4. TIME AWAY FROM WORK**

*TCSA Note: Ensure each of these provisions is consistent with your school board's adopted policy; for TCSA Model Board Policy subscribers see Module 600.180. Also, include in each section of leave the procedures for requesting and approving leave.*

- *How vacation and/or personal paid leave is accrued throughout the school year.*
- *Describe how this provision applies to both exempt and non-exempt employees.*
- *Do these days accrue over school years or are the days forfeited after a certain time?*
- *If the days accrue, are there a maximum number of days that can be accrued?*
- *Will the leave be paid out upon separation from employment?*
- *Would the leave only be paid out under certain expressly stated circumstances?  
(e.g. the employee gave at least two weeks' notice).*

### **4.3. Family Medical Leave Act**

The Family Medical Leave Act (FMLA) provides employees who meet the eligibility criteria with unpaid leave for certain family and medical reasons during a 12-month period. During this leave, employees are entitled to continue group health plan coverage as if they had continued to work. At the conclusion of the leave, subject to some exceptions, employees generally have the right to return to the same or an equivalent position, equivalent pay, benefits and working conditions.

To be eligible for FMLA leave, an employee must have been employed by SASIC:

- for at least 12 months (which need not be consecutive); and
- for at least 1,250 hours during the 12-month period immediately preceding the commencement of the leave; and
- the employee must work at a worksite-
  - with 50 or more employees; or
  - 50 or more employees are located within 75 miles of the worksite

Events which may entitle employees to FMLA leave:

An eligible employee shall be entitled to a total of 12 workweeks of leave during any 12-month period for one or more of the following:

- Because of the birth of a child of the employee and in order to care for such child
- Because of placement of a son or daughter with the employee for adoption or foster care
- In order to care for the spouse, or a son, daughter, or parent, of the employee, if such spouse, son, daughter, or parent has a serious health condition
- Because of a serious health condition that makes the employee unable to perform the functions of his/her position
- Because of any Qualified Exigency arising out of the fact that the spouse, or a son, daughter, or parent of the employee is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation.

### **4.4. Bereavement Leave**

In the event that a full-time employee experiences the death of an immediate family member, SASIC will provide up to two days of paid time off. An employee may request to use additional vacation or personal paid leave time if the employee has such leave available.

An immediate family member is defined as a spouse, child or step-child, parent, grandchild, grandparent, sister, father-in-law, and mother-in-law.

### **4.5. Military Leave Of Absence**

SASIC is committed to protecting the employment rights of employees serving in the uniformed services who must be absent due to military leave. SASIC will comply with applicable state and federal laws regarding an employee's absence due to service in the uniformed services.

#### **4.6. Jury Duty/Court Appearance**

SASIC will grant employees time off for mandatory jury duty or for court appearances as a witness when the employee must serve or is required to appear as a result of a court order or subpoena. A copy of the court order or subpoena must be supplied to the employee's supervisor when requesting time off. **This is not paid by the school, however, personal PTO may be used.**

However, if the employee is court-ordered or subpoenaed for court appearances as a party to any civil or criminal litigation, it shall not be compensated and the employee must arrange for time off without pay or use accrued vacation or personal leave for such appearances.

## **5. BENEFITS**

*TCSA Note: The school will want to include information in this section regarding any insurance programs offered through employment with the school. Additionally, include whether the employee pays a portion of the insurance fee as well as how long an employee must be employed with the school before the employee may participate in the insurance programs. Finally, make certain that these provisions are consistent with board policy. For subscribers of TCSA Model Board Policies, see Module 600.140.*

## **6. WAGES & EXPENSES**

### **6.1. Payday**

SASIC pays its employees on a monthly or bi-weekly basis depending on job classification. The pay cycles are as follows:

Exempt employees: Paydays will take place every Friday's.

Non-exempt employees: Paydays will take place on Friday's.

### **6.2. Direct Deposit**

Direct deposit is SASIC's preferred method of payment for all employees paid by SASIC. Direct deposit enables SASIC to facilitate the distribution of pay to employees in a safe, secure, and timely manner. To enroll in direct deposit an employee may contact Human Resources for the correct paperwork.

An employee who prefers to receive a paper check instead of direct deposit must notify his/her supervisor or the Human Resources Department.

### **6.3. Mistake in Payroll or Expense Reimbursement**

Employees are required to immediately notify their supervisor in the event of a suspected mistake in their payroll or expense reimbursement. Failure to report an overpayment in payroll or in an expense reimbursement may result in disciplinary action.

### **6.4. Hours Worked: Exempt Employees**

All exempt employees who are compensated on a salary rather than hourly basis are paid their salary for all hours worked during the work week. The expectation is that exempt employees will work 40-hour workweeks.

### **6.5. Hours Worked: Non-Exempt Employees**

Non-exempt employees will be paid at the rate of 1.5 times their regular hourly rate of pay for all time worked in excess of 40 hours in any one workweek. Overtime is never at the employee's discretion. An employee may work overtime only after receiving authorization from the employee's supervisor. Working overtime without prior authorization may result in disciplinary action.

A non-exempt employee is never permitted to work "off the clock". While all hours will be compensated appropriately, an employee's failure to report hours accurately whether too low or too high is cause for disciplinary action. Employees should immediately report to Human Resources any effort by a supervisor to participate, encourage, or even permit an employee to work "off the clock" in violation of this overtime provision.

## **6.6. Attendance Records**

Employee attendance records must be kept complete and accurate. Attendance records are subject to unannounced reviews to ensure proper use. Falsification of time records is a serious offense and may lead to disciplinary action, up to and including discharge from employment.

## **6.7. Travel Expense Reimbursements**

Before an employee incurs travel expenses related to SASIC business, the employee must submit a travel request form for approval to his/her principal/supervisor. Mileage for use of an employee's personal car will be reimbursed prior to travel. Employees should select moderately priced lodging convenient to their destination to minimize time and expense.

Travel expenses from approved travel must be itemized and detailed on the SASIC travel reimbursement form. To be reimbursed, all original receipts for travel expenses must be included with the reimbursement form and submitted to the employee's supervisor. A trip report upon completion of the travel will be submitted to the employee's supervisor and to Human Resources.

## **6.8. Deductions in Pay**

SASIC only will deduct wages from an employee's pay under circumstances that are allowable under state and federal law. Additionally, any wages that an employee has requested and authorized in writing will be deducted. If there is a deduction that has been made that the employee believes is in error, the employee should immediately contact Human Resources and the Finance Director. Retaliation against an employee who has questioned what he/she believes may be an incorrect deduction in pay is prohibited.

## **7. NON-DISCRIMINATION & ANTI-HARASSMENT**

### **7.1. Non-Discrimination**

SASIC is committed to honor the laws that prohibit discrimination based upon an applicant or employee's race, sex, religion, national origin, disability, age, genetic information, veteran status or other protected class recognized by applicable law. Employees are prohibited from discriminating against other employees, against applicants, or against students based upon the aforementioned protected classes.

### **7.2. Reasonable Accommodation**

In the event an employee needs to request a reasonable accommodation or a variance in SASIC's stated policies and/or procedures due to the employee's disability, as defined by the Americans with Disabilities Act, or the employee's sincerely held religious belief, the employee should notify his or her supervisor and/or the Human Resources Department.

### **7.3. Anti-Harassment**

SASIC is committed to creating and maintaining a work environment free of all forms of unlawful harassment. Employees are prohibited from engaging in all forms of unlawful harassment, including harassment based on race, sex, religion, national origin, disability, age, genetic information, veteran status, sexual harassment, and any other protected class status.

Harassment based on any of the aforementioned protected classes may include, but is not limited to, many different types of actions: verbal (e.g. derogatory comment), physical (e.g. assault), or visual (e.g. internet materials). Sexual harassment does not have to be of a sexual nature, however, and can include offensive remarks about a person's sex. Both victim and harasser can be either a woman or a man, and the victim and harasser can be the same sex. The harasser can be the victim's supervisor, a supervisor in another area, a co-worker, or someone who is not an employee of the employer.

### **7.4. Reporting Discrimination and/or Harassment**

This section applies to both incidents of harassment and discrimination.

Employees should promptly report an incident of discrimination or harassment to Human Resources. The employee should not assume that witnesses to the incident will know the conduct is unwelcomed; an employee should not rely on a witness to report the conduct for the employee. Informing the harasser that the conduct is unwelcomed is not a report of harassment since the harasser may not self-report the violation to management or the Human Resources Department.

If the alleged harasser is the employee's supervisor, a manager, or even one of the individuals designated to receive harassment reports, the employee does not have to directly report the incident to that individual, but instead must notify the Human Resources Department in order to ensure that the matter is promptly and appropriately addressed.

Any supervisor/manager who receives information indicating a concern about harassment or discrimination must report it to the Human Resources Department, even if the information comes from someone other than the target of the harassment or discrimination, or even if the person expressing the concern indicates that they do not wish to have the harassment or discrimination reported.

SASIC will promptly investigate any report and take appropriate remedial action.

If the harassment or discrimination continues, the employee must immediately report the incident so that the matter can be reopened and addressed.

Retaliation for reporting what an employee believes to be harassing or discriminatory conduct or for participating in an investigation of alleged harassment or discrimination is prohibited. Any retaliation should be reported according to the same procedures as reporting discrimination or harassment.

Any employee engaging in any type of discrimination, harassment, and/or retaliation will be subject to disciplinary action, up to and including discharge. Any supervisor who has knowledge of such behavior yet takes no action to report it is subject to disciplinary action, up to and including discharge.

## **8. EMPLOYMENT STANDARDS**

### **8.1. Expected Employee Conduct**

All employees are expected to:

- Meet established expectations of job performance;
- Comply with attendance policies;
- Be responsible in the performance of job duties;
- Be efficient;
- Respect the personal and property rights of all individuals one comes in contact with during the course of SASIC business;
- Follow job instructions;
- Maintain a courteous and professional demeanor;

Employees who do not adhere to these standards are subject to disciplinary action, up to and including discharge.

### **8.2. Violence in the Workplace**

SASIC is committed to providing a safe workplace that is free from violence or threats of violence. Any and all acts of violence in the workplace are prohibited and subject to disciplinary action, up to and including discharge. Additionally, any and all threats of violence, direct or indirect, serious or said in jest, are prohibited. All threats will be taken seriously and are subject to disciplinary action, up to and including discharge.

Employees concerned about family violence being brought into the workplace or onto the work parking lot are encouraged to notify their supervisor or the Human Resources Department.

Any employee who receives a protective or restraining order that lists SASIC as a protected area is required to provide Human Resources with a copy of the order and information requested by SASIC to identify the individual subject to the order.

### **8.3. Drug-Free Workplace**

SASIC is committed to maintaining a drug-free work environment and each employee is responsible for the maintenance of such an environment. The unlawful manufacture, distribution, possession, or use of a controlled substance (i.e. drugs) and/or the use of alcohol or tobacco in the workplace, or while conducting SASIC business, are prohibited.

Additionally, an employee must notify SASIC of any criminal drug statute conviction for a violation occurring in the workplace, or while conducting SASIC business, no later than five days after such conviction. A report of a conviction must be made to Human Resources.

Violation of this policy may lead to disciplinary action, up to and including discharge.

Human Resources may ask an employee to submit to a drug or alcohol test whenever it reasonably believes that the employee may be under the influence of drugs or alcohol at the work place in violation of this Drug-Free Workplace policy, including, but not limited to the following circumstances: evidence of drugs or alcohol on or about the employee's person or in the employee's vicinity; unusual, bizarre or erratic conduct that suggests the employee is impaired by, or under the influence of, drugs or alcohol; or an on-the-job accident or injury under circumstances that suggest the possible use or influence of drugs or alcohol in the injury.

Nothing in this policy prohibits, or in any way limits, the lawful use of prescription or nonprescription drugs. However, an employee must inform his/her immediate supervisor if he/she is using a prescription or nonprescription drug which could impair work performance or pose a risk of harm to the employee, to others, or to property. It is the employee's responsibility to determine from his or her physician(s) if the medication can impair work performance or pose such a risk. If the lawful use of lawful prescription or nonprescription drugs does limit or otherwise impair the employee's ability to perform the essential functions of his or her position or otherwise creates a safety risk, the Human Resources Department will meet with the employee to determine whether a reasonable accommodation is available.

#### **8.4. Suspicious Behavior**

Employees are encouraged to report any suspicious behavior observed at school or at any school-related or school-sponsored activity. Strangers or former employees walking unaccompanied in areas not generally open to the public should be pointed out to a supervisor.

#### **8.5. Former Employees**

Former employees may not enter areas that are not open to the public after they are no longer employed by SASIC.

#### **8.6. Employee Dress Code**

Employee dress should be neat and clean and appropriate for a professional appearance. While shoes must be worn at all times, house shoes (e.g. slippers) and flip-flops are not allowed. Denim jeans are allowed on Fridays so long as the jeans are free from holes and frays. If an employee is unsure of the appropriateness of a particular item of clothing, the employee should choose not to wear it.

An administrator may require an employee to cover tattoos and/or remove facial jewelry. Additionally, because it is difficult to establish a specific dress standard, a SASIC administrator may require an employee to change their dress if in their best judgment the dress is inappropriate.

Exceptions to the dress code may be considered in order to make reasonable accommodations for an employee's disability, as defined by the Americans with Disabilities Act, or an employee's sincerely held religious belief.

### **8.7. Outside Employment**

Employees of SASIC are expected to work solely for SASIC. Any outside employment, whether self-employment or working for another employer, should be immediately disclosed to and approved by Human Resources. In some circumstances such outside employment may be permitted by SASIC, however, SASIC retains the right to review and evaluate each situation on an individual basis.

### **8.8. Employee Monitoring**

Employees do not have an expectation of privacy in any work areas (e.g. offices, desks, file cabinets, etc.) or in any SASIC property, either owned or leased. Work areas and SASIC property are subject to search at any time. Any of the following may be monitored if they occur during business hours and/or on school property: phone calls, voice-mail, e-mail (work and personal), and internet activity.

### **8.9. Audio & Video Recordings**

An employee is prohibited from making any audio or video recording while acting in the course and scope of their employment or while on school property without the written consent of all parties subject to the recording. School functions such as athletic activities or performances are exempt from this prohibition.

### **8.10. Office Dating**

Employees who are in administration/management/supervisory roles are prohibited from dating any employee over whom they have direct or indirect supervision. Also, individuals who work within the Human Resources Department are prohibited from dating any SASIC employee.

If two employees are involved in a dating relationship it will be presumed by SASIC that the relationship is welcomed by both parties unless one or the other notifies SASIC to the contrary. Public displays of affection and favoritism in the course of employment are prohibited.

Conduct that occurs during a disagreement or following a termination of the relationship must not violate SASIC's harassment policy.

### **8.11. Workplace Investigations**

There are instances when SASIC may wish to investigate personnel matters. Employees are required to cooperate in any investigation. Refusal to participate, or actions taken to compromise the effectiveness of any investigation, may result in termination. If the employee is instructed not to discuss the matter being investigated, failure to abide by this instruction may also result in termination. This restriction excludes the employee's privileged communications with his or her own private legal counsel.

### **8.12. Updated/Current Employee Information**

Employees are required to regularly update:

- A change in home address or telephone number;
- A change in marital status or in the number of dependents;
- A change of insurance beneficiary;
- A change in the number of exemptions claimed for income tax purposes;
- The driving record or status of an employee's driver's license, if the employee operates any SASIC vehicle or operates his or her own vehicle for work-related duties, not including driving to and from work.
- A legal change of name.
- The Public Information Act form indicating whether certain personal information may be released to the public.

Updates should be made by notifying Human Resources.

### **8.13. Allowable Uses of SASIC Property**

Employees may use SASIC property only for a purpose that is consistent with applicable law and to implement a program that is described in SASIC's charter.

Employees of SASIC may use local telephone service, cellular phones, electronic mail, Internet connections, and for incidental personal use under the following conditions:

- Such incidental personal use must not result in any direct cost paid with state funds. If this does happen, the employee who caused the direct cost to be incurred by SASIC must reimburse SASIC;
- Such incidental personal use must not impede the functions of SASIC;
- The use of SASIC property for private commercial purposes is strictly prohibited; and
- Only incidental amounts of an employee's time for personal matters, comparable to reasonable coffee breaks during the day, are authorized under this section.

An employee may be required to compensate SASIC for any damage and/or destruction the employee causes to SASIC property.

A violation(s) of this section may result in disciplinary action, up to and including discharge.

#### **8.14. Computer & Internet Use**

With the exception of the incidental personal use described in Section 8.13, access and use of SASIC's computers, computer networks, electronic mail, and the Internet is only for educational and administrative purposes. The access of material that is obscene, child pornography, or harmful to minors is prohibited.

Failure to comply with this section may result in disciplinary action, up to and including termination.

#### **8.15. Administration of Medication to Students**

The administration of medication to students must be done in accordance with SASIC BOARD policy. All employees, agents, and volunteers are prohibited from administering any medication to a student unless expressly authorized by SASIC.

#### **8.16. Reporting Child Abuse/Child Neglect**

An employee, volunteer, or agent that believes a child has been adversely affected by physical, sexual, or mental abuse or neglect must make a report within 48 hours of first suspecting such abuse or neglect. The report must be made to law enforcement or the Department of Family and Protective Services, Child Protective Services.

#### **8.17. Traffic Violations**

If an employee, during the course of SASIC business, receives a traffic violation, the employee will be personally liable for any expenses incurred from that violation. With the exception of a complaint against the Executive Director, each complaint must initially be brought at the lowest level of review, at the Campus Principal Review level. If the complaint is against the principal, then the complaint may be initially brought at the Executive Director level.

**OR**

Individuals who are dissatisfied with the response of the Executive Director may present their complaint to the Board of Directors during the time of CITIZEN'S PRESENTATIONS at the next regular meeting of the board of directors. The board shall "stop, look, and listen" to the complaint, but may not deliberate or act on the complaint except in compliance with the Texas Open Meetings Act.

A complaint against an Executive Director shall begin at this level of review and shall follow the complaint process in accordance with this policy section and the Texas Open Meetings Act.

The failure of the Board of Directors to act on a complaint has the effect of upholding the Executive Director's decision.

## **10. DISCIPLINE**

In an effort to correct employee misconduct at the earliest stage possible, SASIC administration may implement a stair-step disciplinary procedure. Such procedure may begin first with a verbal warning. The next offense would proceed to a written warning; the next step is suspension; followed by termination of employment.

Though SASIC may utilize such stair-step disciplinary procedures, SASIC reserves the right to skip any or all steps and immediately discharge the employee.

The stair-step disciplinary procedure does not forfeit the at-will status of its employees and SASIC preserves the at-will nature of the employment relationship. Accordingly, discharge may be initiated by SASIC at any time, with or without cause, and with or without notice.

## **11. SEPARATION FROM EMPLOYMENT**

### **11.1. Resignation**

An employee is expected, but not required, to give as much advance notice as possible regarding their resignation from SASIC. Typically, two weeks (10 business days) is considered sufficient notice time. SASIC requests that employees submit their resignation in writing to their supervisor; the writing should include the employee's anticipated last day work day.

SASIC reserves the right to require the employee to resign immediately rather than work during the notice period.

### **11.2. Discharge**

In an effort to reduce the risk of employee violence or vandalism, upon an employee's discharge from employment, SASIC administration may request that an employee leave the facility immediately upon separation from employment. If accompanied by an SASIC administrator, the employee will be permitted to gather his/her personal belongings before being escorted to the exit.

The exiting employee is prohibited from taking any SASIC property or information with him/her; the employee is not to retain in hard copy or soft copy any SASIC information. SASIC reserves the right to examine any boxes, briefcases, or other receptacle of an exiting employee to ensure these rules are being followed.

An exiting employee who has been discharged is not to return to the premises of SASIC without prior written approval from the Human Resources Department or the principal of the school campus.
